SCU College

D Block
Music; Media; Studio One29

E Block
Education teaching rooms

F Block
Rod Treyvaud Building

G Block
Southern Cross GeoScience

H Block
SCU International; Lecture theatre

Gnibi College of Indigenous Australian Peoples

Indigenous Australian Student Services (IASS)

L Block
School of Law & Justice

M Block
SCU Children's Centre

N Block
Environmental Analysis Laboratory (EAL); Labs

O Block
Forest Research Centre; Lecture theatre

Marine Ecology Research Centre

P Block
SCU Health Clinic; Counselling

Multi-purpose centre; Sport & exercise science labs

Q Block
Forestry workshop

R Block
School of Business & Tourism; SCU Engagement; Student computers

S Block
Science labs; Lecture theatre

T Block
Southern Cross Plant Science

Centre for Coastal Biogeochemistry Research

U Block
School of Environment, Science & Engineering; Lecture theatre

V Block
Visual arts; Creative arts

W Block
Mallroom; Facilities; Stores

X Block
Student Administration Services

Y Block
Whitebrook Lecture Theatre

Z Block
School of Health & Human Sciences; Labs & prac rooms;

Student Access & Inclusion

Southern Cross University **Lismore campus**

Doors Open

Explore Environment, Science & Engineering @ SCU

Tuesday, 8 November 2016
4pm to 7.30pm

Program*

High school debates

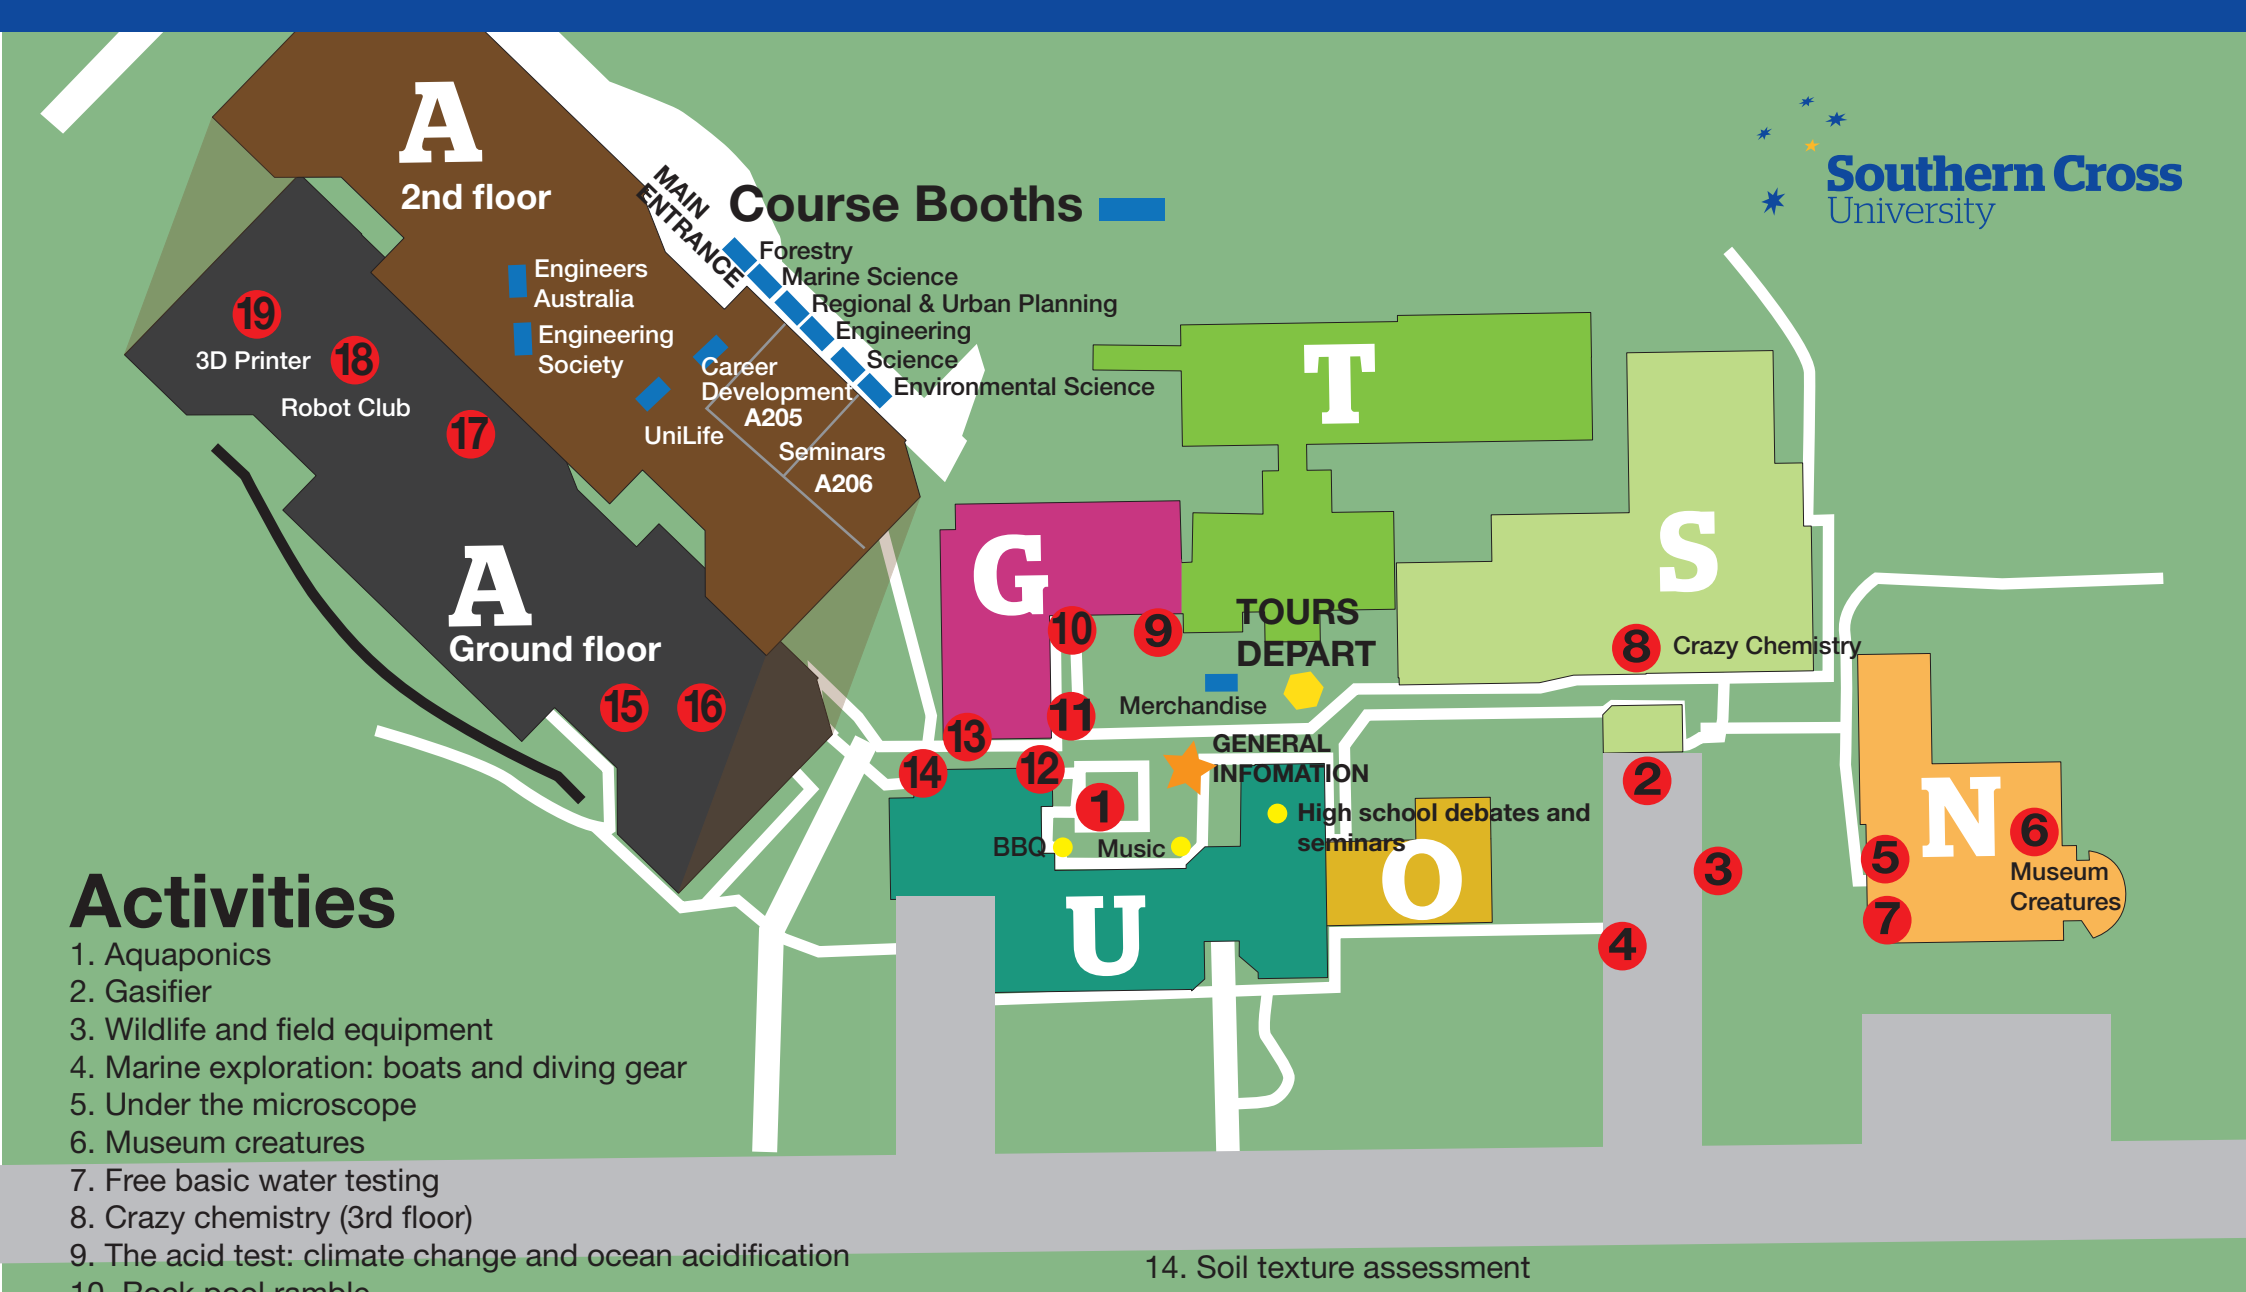
4.30-5.30pm	Here's your chance to come and see our local high schools battle it out in lively debates		**U-block lecture theatre**

Seminars	**U2.31**	**A2.05**	**A2.06**
5.40-5.50pm	**GIRLS IN science & engineering** *Vicki Martin*	**Sharks in my swimming pool** *Dr Danny Bucher*	**The science traveller** *Professor Isaac Santos*
5.55-6.05pm	**What parents want to know** *Cait Feldmann*	**If a frog calls in the forest** *Dr David Newell*	**Biological farming** *Graham Lancaster*
6.10-6.20pm	**Threatened gliders: our home or theirs** *Tahlia Seymour*	**Pokemon Go: youth and public spaces** *Dr Ruth Potts*	**Salinity and energy farming** *Dr Ken Doust*
6.25-6.35pm	**Transitioning from work back to university** *Hanabeth Luke*	**Humanitarian engineering** *Dr Neal Lake*	**Corals and climate change** *Dr Sander Scheffers*
6.40-6.50pm	**What parents want to know** *Cait Feldmann*	**Waste management – finding our way out of the mess** *Associate Professor Amanda Reichelt-Brushett*	**Environmental contamination** *Graham Lancaster*

**Program may be subject to change.*
Covered shoes are required for laboratory entry.
The Learning Centre closes at 6pm.

CRICOS Provider: 01241G

Southern Cross University



Southern Cross University

Activities

1. Aquaponics
2. Gasifier
3. Wildlife and field equipment
4. Marine exploration: boats and diving gear
5. Under the microscope
6. Museum creatures
7. Free basic water testing
8. Crazy chemistry (3rd floor)
9. The acid test: climate change and ocean acidification
10. Rock pool ramble
11. Model marine organisms
12. Drone display
13. Stable isotope sleuthing
14. Soil texture assessment
15. How water flows: the flume
16. Rainfall run-off simulator
17. Traffic simulation
18. SCU Robotics Club
19. 3D printing

[+]*Covered shoes are required for laboratory entry.*
